Notice regarding residual target of FY 2018-19 for CSCM-STT-PMKVY 2016-20

This is to inform all training providers that all the residual target of all centers that have been allotted targets as well as onboarded on SDMS under PMKVY Short Term Training (CSCM) for FY 2018-19 will be rolled over to the FY 2019-20.

The residual target for the Training Center to be considered as difference of Target approved on SDMS and enrolment done till 31st March -10 PM.

Due to closure of Financial Year 2018-19, the SDMS system will be under maintenance. The portal will be functional again in the second week of April 2019. Post the above downtime duration, the Training Centers can login to their SDMS TC login and view the residual target to be enrolled in FY 2019-20 as per their capacity in SMART.

Any further update in this regard including a notification for centers allotted targets but not onboarded on SDMS will be would be published on the PMKVY website for reference.
