The SMART process is as following:

SMART Centre Accreditation and Affiliation is a one stop IT platform for Accreditation and Affiliation of training Centers through a Grading process. Centre Accreditation process in SMART through a third-party Desk Assessment and physical inspection ensures that the TC has met prescribed quality standards, as determined by NSDC and the respective Sector Skill Councils (SSCs).

Please find below step by step process involved in the Centre Accreditation & Affiliation process:

Step 1: Training Provider (TP) Registration: Basic details of the TP to be filled in for TP registration. This registration will be valid for 3 years.

Step 2: Training Centre (TC) creation and Centre Accreditation Application Form (CAAF) submission:

o Stage 1: Training Centre (TC) fills the CAAF and submits the CAAF registration fees. Inspection Agency conducts Desktop Assessment (DA). Once a TC is Deemed Ready, a "Letter of Registration" (LOR) is generated for that TC.

o Stage 2: Post issue of LOR, if the TC is empaneled or recommended by any scheme/ agency, the TC gets their Recommendation approved by the concerned scheme and further applies for physical

inspection. If the physical inspection aligns with DA, Inspection Agency recommends the TC for Accreditation or Conditional Accreditation with respective SSC for a final review and status updating.

Step 3: Training Centre (TC) Accreditation: The respective SSC reviews the inspection report of the Training Centre and accords the TC with Accreditation/ Conditional Accreditation status and TC receives an accreditation certificate. TC Accreditation is valid for 1 year.

Step 4: Training Centre (TC) Affiliation: After getting accredited/conditionally accredited status from SSC, the TC applies for Affiliation for accredited Job Roles and pays a) Continuous Monitoring fees and b) Affiliation fees
