LIFE SCIENCES SECTOR SKILL DEVELOPMENT COUNCIL (LSSSDC) – AN INTRODUCTION

Established in 2014, Life Sciences Sector Skill Development Council (LSSSDC) is a Non-Statutory Skill Certification Body authorized by Ministry of Skill Development and Entrepreneurship, Govt. of India.

LSSSDC is a not for profit organization, registered under the Societies Act, 1860. As a National level organization, in partnership with various stakeholders groups, it will serve to address the skill shortfalls in the Life Sciences Sector in India. It's aim, over a 10 year period, will be to map all job roles in the Sector (estimated 100), enlist Training Organizations, train the Trainers and certify approx. 2.1 mn skilled workers in this Sector.

The Life Sciences Sector Skill Development Council (LSSSDC), set up specifically for skill development & training for the Life Sciences (pharmaceutical, Bio pharmaceutical and Contract Research) industry, has developed Occupational Standards and Qualification Packs (standard of performance for specified job role), which have been validated by Industry (including our Members) and approved by Govt of India as 'National Standards' of the specific job role. 61 of such National standards have been prepared and published thus far. The standards are published in public domain and can be accessed by clicking on <http://lssdc.in/qualification-pack-details>.

LSSSDC has also, with Industry inputs, developed Curriculum and Content for the major job roles. All skilling activity, and assessment/ certification will conform to these Industry defined/ validated Standards, Curriculum and Content.

The key objective of the LSSSDC is to create a robust and vibrant eco-system for quality education and skill development in Life Sciences space (comprising Pharmaceuticals, Biotechnology and Clinical Research) in the country.

REQUEST FOR QUOTATION

LSSSDC seeks RFQ from reputed consulting firms which can undertake the following:

Assist LSSSDC Standards team in re-validation of existing “Published Qualification Packs” as per the scope given in this RFQ document.

LSSSDC, through this Request for Quotation (RFQ), seeks to select a competent consulting firm with relevant experience and capabilities to compile and complete documentation for re-validation of Published Qualification Packs.

PROJECT SCOPE & BRIEF

Current Scenario & Objective of the Project

Currently, LSSSDC has 61 Qualification packs published post approval of NSQC. These 61 qualification packs are due for re-validation and rationalization.

LSSSDC standards team has already rationalized the qualification packs for merger with a provision of optional/ electives / multiskilling.

The objective of this Project is to re-validate Qualification Packs, in consultation with all concerned, particularly those actively involved in Life Sciences sector, to be used as benchmark of performance, together with knowledge, skills and understanding expected from Life Sciences sector Professionals at different functional levels. These re-validated standards will then be used to provide a foundation for standardised education, training and apprenticeship, assessment & certification of professionals, accreditation and quality assurance of training institutions, laying down career paths, providing placement support through LMIS; with an overall clear objective of ensuring availability of competent and skilled manpower to the sector.

Scope of Work

The scope of this project shall include but not necessarily be limited to the following tasks:

A. Revalidation of National Occupational Standards

- Revalidation of all existing Published National Occupational Standards & Qualification Packs (total 46 post rationalization) in phased manner.
- Revalidation through Key Stakeholders
 - Participation in meetings for seeking suggestions/ approval on Industry Validation Draft for the targeted job roles.
 - Revision of document by incorporating feedback from industry
 - Documentation (Soft Scanned Copies and email (Mail Chains record) and filing of printouts for all the job roles for all the feedbacks received that will be submitted to NSDC

- Prepare QRC Submission Docket according to Due-Diligence Checklist version 2.0(enclosed as annexure)
 - Compilation of Industry Validation for approval of QP as per the following minimum criteria:
 - Large – Min. 10 employers
 - Medium – Min. 10 employers
 - Small- Min. 10 employers
 - Framing of the Functional Analysis document
 - Preparation of QRC Summary Sheet and all docket
 - QP document development as per NSDC formats as per NSDC guidelines
 - Development of Model Curriculum aligned to the QP in case where the curriculum is not available for the existing published QP
 - Revision of Model Curriculum aligned to the QP in case where the curriculum is available for the existing published QP
 - Validation of Curriculum with 6 Industry players (2 Large, 2 Mid, 2 Small) and 2 academic institutions of relevance to that job role
 - Preparation of Q File as per NSDC prescribed format
 - Preparation of QRC Presentation with the following:
 1. Occupational Map in the template promulgated by the NSDC Standards Team
 2. QRC Summary sheet as promulgated in May 2019
 3. NOS-wise NSQF Level
 4. Summary of Training Duration as approved in the Model Curriculum
 - Final Version of NOS and Sustainability Plan to maintain the relevance and currency of NOS
 - While revalidating occupational standards, all existing standards in Life Sciences, including those in other countries, shall be studied and assessed and best practices be taken into consideration. International standards are particularly relevant for the Life Sciences sector, which is globally inter-connected
 - National Occupational Standards should categorically mention Function Description and Competencies - Knowledge (Generic and Domain Specific), Skills (Generic and Domain Specific) as per NSDC guidelines
 - National Occupational Standards & Qualification Packs should have a cross reference to NSQF and NCO 2015
 - **Occupational Standards should also have:**
 - **Unique Reference Number:** A combination of 3 letter and 4 numbers code that identifies the standards has been set up by Life Sciences Sector Skill Development Council according to the Occupation Map.
 - **Qualification Packs** to define the set of NOS which are aligned to one Job Role.
 - **Criteria for Assessment of those undergoing training** to be included in the Qualification pack as Appendix
- (Please refer to the attached “NOS Protocol”, prepared by NSDC)*
