

## NOTIFICATION FOR RPL PROJECT IMPLEMENTATION AGENCIES

### | ADVISORY DURING CORONAVIRUS OUTBREAK

Dated: 18 March 2020

In the wake of outbreak of Corona virus and the cases being reported, many State Governments have issued advisory to close private and government educational institutions till 31st March 2020. All Project Implementing Agencies (PIA) executing any type of Recognition of Prior Learning (RPL) program are advised to comply with the State Government notifications, and in case of any confusion, seek clarification from the Local Administration.

In case you are putting a halt on the execution, kindly inform us on the following email ID - [rplpmkvy@nsdcindia.org](mailto:rplpmkvy@nsdcindia.org), along with the following information:

- Copy of the Government circular based on which the RPL execution is being suspended.
- Details, such as date, location and stage for every batch for which execution is kept on hold.
- Likely date for resumption based on the Government Advisory, to activate the IT system.

To cater to the above, National Skill Development Corporation, in consultation with Ministry of Skill Development & Entrepreneurship, shall endeavor to make necessary arrangements in Skill India Portal (SIP) to regularize the affected batches in terms of batch starting, ending and/or assessment dates.

It is to be noted as per previous communication of Ministry, the last date for enrolment of new candidate shall remain 31 March 2020.
